

American Sniper Symposium

Beaumont, Texas

JULY 25 – 27, 2017

The symposium will be held at the Holiday Inn Beaumont,
3950 I-10 South, Beaumont, Texas • (409) 842-5995

\$100
per person

Three days of presentations focusing on topics of importance to today's special operations personnel. The presentations made at this seminar represent state-of-the-art training and current, pertinent information for snipers, team leaders and administrators. Topics will include first-person incident debriefings, in-depth information about sniper ammunition, pre- and post-shooting legal issues, and training issues. Operational preparedness and protection against liability are among the key topics addressed during the seminar. Speakers will include a who's who of the police sniper community. Attendance is open to all police and military personnel. If your agency has a SWAT team, or is contemplating starting one, you need to attend.

— a joint event sponsored by the American Sniper Association and AmericanSnipers.org —
